

Aleutian Island Risk Assessment (AIRA)

STATUS REPORT: JANUARY 2011

Meetings/Teleconferences

- The Management/Facilitation and Risk Analysis Teams met four times via teleconference to discuss the projects status, schedule, and budget.

Draft Reports

- The Management Team stopped the Advisory Panel and Technical Peer Review Panel review of the Draft Consequence Analysis and Accident Causality Reports and has requested the report be re-submitted based on public comments received and a preliminary review conducted by the Management Team and Technical Peer Review Panel.

Contact List and Public Communication

- The project contact list developed by Nuka Research was updated as needed during the month of January.
- An email notice was sent out to everyone on the project contact list soliciting input on risk reduction option ideas.

AIRA Website

- The AIRA website home page and internal websites were updated with a focus on risk reduction options.

Upcoming Events

- The next Advisory Panel and Management Team meeting is scheduled for March 17, 2011 in Anchorage.
